

## TRAINING

*Our staff has regular monthly meetings to continue to improve our program, and has continuous training so we can offer the best of care. Our door is always open. We realize you have entrusted us with your most precious possession, your child, and thank you for considering us for this opportunity to serve your family.*

## WHAT WE ARE ABOUT

It is our mission to help you as parents reach your goals for your child. We believe the Bible teaches that it is the parent's responsibility to train up a child in the way he or she should go. Our goal is to under-gird each child's individuality through our teaching activities, play time, and discovery learning periods, all based around Godly character traits.
